

Door UR P 900

UR P 900 full steel hinged door provides an alternative to mesh doors for storage areas requiring private security. The door is supplied with a hasp for padlocking. Doors are available in heights from 2200mm and they are compatible with the type P panel system. The door frame and the mesh in the top are painted in RAL 7037 and the full steel sheet has an aluminium zink execution. Doors are supplied pre-assembled and ready for installation.
