

Full steel Panel TYP-P

TYP-P is a price efficient, durable and easy to install storage system. The corrugated steel sheet panels with alu-zinc finish is primarily for use as a front wall in areas with already reasonable outer protection. The full steel cover also makes it impossible to see into the storage room.

TYP-P is compatible with UR 350 and UX 450 as dividing walls or roof.

FACTS

Panel Dimensions

Panel Height (mm)	Panel Width (mm)
2200	188
2200	290
2200	695
2200	800
2200	1005

Sheet thickness 0,5 mm, corrugation 19 mm

When building a wall, the panels will overlap approx. 20 mm

ACCESSORIES

Corner plate 65x65x2200	used in outside corners
