

Musca bracket

The Musca bracket is constructed of 3mm thick pre-galvanized steel and will provide excellent protection. The bracket is bolted to the rack and the unique Kit Musca secure is easily added in assembly to secure that the panel stays in place in case of accident.

Brackets are available in stand off dimensions from 50mm to 300mm.

Panels available are UR 300, UR 325 and UR 350

FACTS

Musca bracket

Bracket, standoff	Finish
Musca bracket 50 mm	pre-galvanized
Musca bracket 100 mm	pre-galvanized
